

U.S ARMY NAF EMPLOYEE BENEFITS PROGRAM

NAF OPEN ENROLLMENT FOR CY2022

November 1st thru November 30th, 2021

Dear Nonappropriated Fund Employee:

The purpose of this brochure is to provide current information about your NAF Employee Benefit Programs and to inform you that we will conduct a full Open Enrollment this year. As an eligible NAF Employee, you will be able to make certain benefit program elections and make certain changes to programs in which you currently participate. As with previous years, NAF Employees will not receive Open Enrollment packets in the mail. An employee can review Open Enrollment information online at www.nafbenefits.com or on Aetna's website at www.nafhealthplans.com; however, all employee Open Enrollment changes must be made at your local, servicing NAF Human Resources Office (HRO).

We also strongly encourage you and your family members to view the [NAF Open Enrollment Video](#) and use the interactive benefits counselor, [Alex](#), at www.nafhealthplans.com. Based on your individual/family health care needs, Alex can assist in determining which health plan may be the best choice for you.

Reminder: For the Health Benefit Plans and Stand Alone Dental Plan, there are four premium tiers available to choose from: Single; Single plus Child(ren); Single Plus Spouse and Family (Single plus Spouse plus Child(ren)).

Health Benefit Plans

You may enroll in any of our Health Benefit Plans, either the DOD Health Benefit Plan (DODHBP) or the High Deductible Health Plan (HDHP), the Stand Alone Dental Plan, or one of our Health Maintenance Organizations (HMOs), where available. You may also change from the DODHBP/HDHP to an HMO, from an HMO to the DODHBP/HDHP, or from one HMO to another. Please check with your servicing NAF HRO for information on HMOs available at your installation.

You will also be able to make changes to your Health Benefit Plan coverage, including adding or deleting dental coverage, increasing your coverage from Single, to Single plus Child(ren),

\$15.54 for Single coverage

High Deductible Health Plan

The HDHP is part of the same network (listing of providers) as the current preferred provider organization plan, to include in-network and out-of-network coverage. The Summary of Benefits for the plan lists the covered services for the Deductible, out-of-pocket amounts, and pharmacy and is located on www.nafhealthplans.com.

A qualified HDHP can be combined with a Health Savings Account (HSA) allowing individuals to use pre-tax dollars to pay for eligible health expenses and to build a savings fund for future medical costs. According to IRS rules and regulations, OCONUS employees and post-65 retirees enrolled in the HDHP are not eligible for an HSA and instead will be offered a Health Reimbursement Arrangement (HRA). Employees cannot make contributions to a HRA.

There is no provision for an employer contribution to a Health Savings Account during Temporary Continuation of Coverage on the HDHP medical plan.

Employer Deposit to the HSA. With an HSA, your NAF employer will make a one-time deposit that will occur once you have enrolled in both the HDHP and the HSA. For 2022, your NAF will deposit \$500 Employee Only and \$1,000 Family (employee + spouse, employee + child/ren and employee + family) into your HSA account. Your NAF employer will make a contribution deposit to your HSA each plan year you are enrolled in both the HDHP and the HSA.

Contribution limits for 2022, which include the employer deposit noted above:
\$3,650 Employee/Retiree Only
\$7,300 Family

Plus an additional \$1,000 catch up contribution for employees age 55 or older

Please visit www.nafhealthplans.com for additional information.

2022 DOD NAF Health Benefit Plan Changes

There is exciting news for 2022! Retirees and retirees' spouses age 65 and over, enrolled in Medicare Parts A and B and living in the United States, who are in the Post-Retired Medical Plan will be automatically enrolled in the new Aetna Medicare Advantage Prescription Drug Plan. This plan change will go into effect January 1, 2022 and is for those retirees and their spouses residing in the USA. Please visit www.nafhealthplans.com for more information.

Please note that there are no other plan changes for the DOD NAF Health Benefit Plans.

Medical Coverage for Qualifying FLEX Employees

Expansion of Medical Eligibility Criteria to Cover NAF Flexible Category Employees Who Work 30 or More Hours Per Week On Average:

The Patient Protection and Affordable Care Act (PPACA), P.L. 111-148, Section 1513 amends the Internal Revenue Code, Section 4980H. This requires the DoD NAF employers to offer medical coverage in the NAF DODHBP to flexible category employees working 30 or more hours per week on average.

Who is eligible to enroll during Open Enrollment?

Prior to the open enrollment period, the Army NAF Employee Benefits Office will look back at the work history of flexible category employees to determine who meets the 30 or more hours per week work requirement. Notification to eligible employees will begin prior to the open enrollment period.

When does coverage begin?

Newly eligible employees may enroll themselves for single coverage and/or their spouse and eligible family members during the open enrollment period. Coverage will begin January 1st, 2022.

Dental Coverage:

There is no legal requirement to offer dental insurance to newly eligible flexible category employees and their dependents. The fully insured stand-alone dental plan and the Aetna bundled dental plan will not be offered.

NAF OPEN ENROLLMENT FOR CY2022

November 1st thru November 30th, 2021

Temporary Continuation of Coverage (TCC):

TCC is available for flexible category employees who lose coverage in the NAF HBP for any reason other than termination for cause.

What plans are available?

Newly eligible flexible category employees, their spouses and their dependents may elect to enroll in any Health Maintenance Organization (HMO) plan or non-HMO plan offered by their NAF employer.

Creditable Coverage Certificates

Certificates of Creditable Coverage are posted on www.nafhealthplans.com.

CY 2022 Electronic Open Enrollment Communications Information

DODHBP Plan Information Packets will be electronic for Calendar Year 2022. Participants will receive a newsletter in October announcing NAF Open Enrollment. In addition, participants will receive a link to the new NAF Open Enrollment Video. All members and family members are strongly encouraged to view this video. Please log-on to www.nafhealthplans.com for the complete communications package.

Premium Tax Credit

The Internal Revenue Code Section 125 Pre-Tax Health Premium Program will continue in effect in 2022. This program allows you to pay your employee share of the Health Benefit Plan, HMO and Dental Plan premiums with pre-tax dollars, thus reducing your taxable income and increasing your take-home pay. This benefit will automatically continue in 2022, unless you opt out of this program during this Open Enrollment. Because the Internal Revenue Code does not allow canceling your plan participation during the plan year, January 1st thru December 31st, 2022, you will have the option of declining participation in the program during this Open Enrollment. To decline participation in the Pre-Tax Health Premium Program, please contact your local, servicing NAF HRO.

NAF OPEN ENROLLMENT FOR CY2022

November 1st thru November 30th, 2021

Life Insurance Plan

You may enroll in the Life Insurance and Accidental Death and Dismemberment Plan, without evidence of insurability, during this Open Enrollment. There are a number of coverage options available. Your elections will be effective January 1st, 2022, provided you are in an active pay status on or after January 1st, 2022. If you would like to enroll in the Group Life Insurance Plan or make changes to your current Life Insurance Plan election, please contact your local, servicing NAF HRO.

Basic Life Insurance

The Basic Life Insurance Plan gives you life insurance protection, accidental death and dismemberment (AD&D) coverage, and dependent life insurance coverage. The rate for 2022 remains the same at 11 cents per \$1,000 dollars of coverage for both employees and employers. The policy pays the face amount in the event of your death. The AD&D coverage pays additional benefits to your beneficiary in the event of your accidental death or to you if you lose your sight or a limb as a result of an accident. You may choose one or two times your basic salary, rounded to the next higher \$1,000, not to exceed \$500,000.

Optional Dependent Life Insurance

You may also elect additional Optional Dependent Life Insurance. Currently, if you have elected Basic Life Insurance, you automatically receive Dependent Life Insurance free of charge. Your spouse is covered for \$5,000 and each of your eligible dependent children are covered for \$2,500. However, you and your eligible family members may elect additional coverage for your spouse and children in increments of \$5,000/\$2,500 at a modest bi-weekly cost, up to a maximum of \$25,000 for your spouse and \$12,500 for your eligible dependent children. You must be enrolled in the Basic Life Insurance Plan to elect additional Optional Dependent Life. Optional dependent insurance rates are also listed on the NAF Benefits website.

Optional Life Insurance

If you have elected Basic Life Insurance, you may also purchase Optional Life Insurance in increments of \$10,000. You may choose an Optional Life Insurance amount up to two times the amount of your Basic Life Insurance coverage, not to exceed \$500,000. (*Evidence of Insurability is required if you choose to purchase more than \$100,000 of Optional Life Insurance coverage.*)

NAF OPEN ENROLLMENT FOR CY2022

November 1st thru November 30th, 2021

The bi-weekly cost of Optional Life Insurance is based on your age and the amount of coverage you choose. Rates are available on our website at www.nafbenefits.com.

Federal Long Term Care (FLTCIP) Insurance Program

Enrollment in the FLTCIP requires evidence of insurability. Enhanced coverage options are available. This excellent Long Term Care Insurance Program is a valuable benefit you should consider. Premiums are based on your age when enrolling; each year you wait to enroll means the premiums will be a little higher. For information concerning the FLTCIP, including how to enroll, please visit <https://www.ltcfeds.com/>.

Flexible Spending Accounts (FSAs)

FSAs allow you to set aside a portion of your salary into special accounts to pay for health expenses not covered by your Health Insurance and to cover expenses incurred for child and adult Dependent Care. These are two separate types of FSAs. You may elect to put money aside in one or both types of FSAs. Participants enrolled will be able to use the debit cards to make payments to merchants for health expenses only. For those employees who enrolled in the FSA Plan for 2021, your FSA election will not automatically rollover into 2022. If you are interested in enrollment for 2022, you must reenroll during the NAF Open Enrollment period.

If you have a remaining balance in your Health Care and/or Dependent Care FSA at the end of year, December 31st, 2021, and continue to be active eligible employee on the last day of the plan year, you'll be able to carry over up to \$1,000 each in unused funds to the next plan year. In addition, the amount you carry over does not change the amount you can contribute in CY 2022.

In CY 2021, you could contribute up to \$2,750 in a Health Care FSA. The CY 2022 limit has not yet been released by the IRS, but we anticipate it will remain the same for 2022.

If you are interested in enrolling or reenrolling in the FSA plan, please contact your local, servicing NAF HRO. There is additional information on www.nafhealthplans.com, as well as tools to help you determine if this program will help you save money on health care and dependent care. You do not have to be enrolled in a health insurance plan to enroll in the FSA

Program. This is a calendar year (tax year) program. Your election will remain in effect throughout the year, unless you experience a qualifying family life event, which would allow you to change your election. Enrollment is only available through your local, servicing NAF HRO.

NAF OPEN ENROLLMENT FOR CY2022

November 1st thru November 30th, 2021

NAF Employee 401(k) Savings Plan

401(k) Plan changes are not restricted to Open Enrollment; you may enroll in the 401(k) Savings Plan or change your contribution rate at any time. The IRS sets a maximum amount you can contribute to a 401(k) plan in any given year and it is usually adjusted upward to account for inflation. For 2021, the limit was \$19,500. Employees age 50 or older could also make "catch-up contributions" of up to \$6,500 above and beyond the limit amount of \$20,000. **The contribution limits for 2022 have not yet been released by the IRS, but we anticipate the limit will increase by \$500 to \$20,000 and the catch-up amount will remain the same at \$6,500 for a combined total of \$26,500.**

Ten (10) funds are available for investment, in addition to twelve (12) Life Cycle Funds for those who want to have their investments managed by professional investors. The Life Cycle Funds are keyed to your anticipated retirement date so that your funds are invested to coincide with where you are in your life cycle as you accumulate assets for your retirement years. For more information about your investment options, please visit Fidelity's website at www.401k.com. To enroll in the 401(k) Plan, change your contribution rate, or update your beneficiary information, please visit your local, servicing NAF HRO. To take advantage of your investment options, please access your Fidelity account through our website or call Fidelity Investments for assistance at 1-800-835-5093 (OCONUS ATT Direct Access Code + 1-877-833-9900).

A new 401(k) Automatic Enrollment feature was implemented CY16 for all eligible new hires and rehired employees only. Employees enrolled in the NAF 401(k) Savings Plan have the option to opt out of the Plan or increase their contribution levels at any time.

NAF Employee Retirement Plan

Enrollment is mandatory your first six months of employment. You may reenroll in the NAF Employee Retirement Plan at any time. Approximately 95% of eligible NAF employees are currently enrolled in the plan, which provides a generous benefit when you retire, without Social Security offset. To enroll and start earning creditable service for retirement, see your local, servicing NAF HRO.
